Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The cited prior art fails to teach or suggest the claimed "logic means" as interpreted in light of pages 6-7 of the specification. The cited prior art teaches the testing of an oxygen sensor by measuring the resistance of the sensor. The cited prior art does not teach control means directed to controlling the engine during the testing of the oxygen sensor. Additionally, the cited prior art fails to teach or suggest the means capable of the voltages of claim 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
